I-I said we need to exterminate the bad guys and end this war already!
hehe
There are no good or bad guys right now. Both sides are fighting over needless power.
SWOOP
Do you think Aran would really stay there, had the Branch been full of evil people?

There's no way of telling who's the good or bad guy right now. Everyone in Murim has a black heart to begin with.
SITS
You have the blackest heart of them all!

What?

Ah! I didn't say anything!
WAVES
WAVES

Hmm...

...

Just because Su-hyun's Ki has the Grand Master's Ki, doesn't mean Aran lost all of his Ki.
The Aran I know... isn't from Murim, but he is not weak. He is strong in his own way...
But does the Aran I know attack his allies and become the adopted son of the enemy?

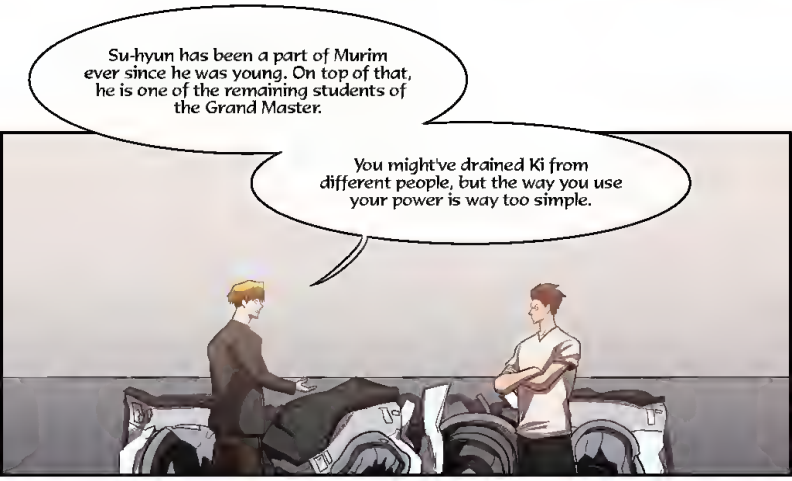
If you fight Su-hyun it might end in a stalemate, but you won't be able to win.
WHY?!!
WHY CAN'T I WIN!?
GETTING ANGRY



Su-hyun has been a part of Murim ever since he was young. On top of that, he is one of the remaining students of the Grand Master.
You might've drained Ki from different people, but the way you use your power is way too simple.

You can only use two proper skills anyway. Blood Cutter and the Palm of Chungsoo!
I JUST HAVE TO FIGHT WELL WITH THOSE TWO!!
ANGRY
PIKU
...

It won't work even if you do that. If Su-hyun stabilizes the GrandMaster's Ki and you have a rematch...
The chances of you losing is 100%.
You were just really lucky that day.
